

# Flame Heart

Warriors whose bodies and souls are infused with elemental fire. Knights wielding burning blades, archers loosing barrages of fire arrows, or skirmishers thrusting spears of primordial flame.

**Weapons:** All

**Armor:** All armor and shields

**Hit Points:** 1d8 per level

**Burning Heart.** 3/day, You channel the primordial fire from your heart and soul to wreath your weapon in hot flames. Your weapon burns brightly out to 15 feet for hours equal to your CHA (min 1). As your weapon burns it deals an extra die of its damage. Add additional weapon dice of damage equal to half your level (round down). If used with a ranged weapon, the weapon's ammo also burns.

**Fire-Blooded.** The fire in your blood makes you take half the damage from sources of fire.

**Friend of Fire.** You can speak Primordial. You may make a DC 15 CHA check while engaging with fire elementals or similar fire-based creatures. If you pass, they view you and your allies as friendly until you do something hostile or harm them.
